## Blue Devils Play In Delray Tonite

Following their thrilling 19-13 victory over the Fort Pierce Eagles, defending champions of the Suncoast League, last Friday night in the Eagles' nest, the Pahokee Blue Devils will try their skill in the season's season finale, the Seacrest Seahawks at Delray Beach this Friday night.

Coach Web Fell believes the Blue Devils will have their hands full tonight if the Seahawks, led by their fast Halfback Russell Sellers, display the kind of inspired football they did last Friday night when they outplayed the Clewiston Tigers on the ground and forced Halfback Richard Bethea and his cohorts to take to the air in order to eke out a 14-13 win over the Seacrest eleven.

The Blue Devils' record to date is three victories and one defeat, winning from Pompano, 20-7, Stuart, 27-6, and Fort Pierce, 19-13, while losing their soggy opener to Clewiston, 7-18. The team will be accompanied to Delray this evening by the Pahokee High School Band and a large group of local well-wishing rooters.

### Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

County Commissioner Paul Rardin Monday presented to the commission at its meeting a request from the Port Mayaca Cemetery Board of Trustees for assistance in developing new land for the cemetery, for which they will give to the county some of the land for its pauper and Negro burials.

Mr. Rardin told the board that "there is no ground at all in the Glades muckland for a cemetery for county burials, and I recommend we help prepare this land in Martin County and in that way avail ourselves of burial land."

The request was turned over to County Attorney Harry A. Johns-

on for action.

Upon receiving notice from the government tax authorities that some of the coin-operated pinball machines at International Airport were not exempt, Mr. Rardin moved that Mr. Johnston look into the matter and pay whatever amount is due "pronto".

The commission authorized Mr. Middleton to award a bid for alterations and repairs to the County Jail to Trieste Construction Co., low bidder with \$31,940, subject to approval of Sheriff John Kirk, and to advertise for bids for paving State Road 80 junction.

The board also awarded a road

oiling contract to A. O. Greynolds Co. for all county oiling.

The county engineer was authorized to purchase a 1955 police club coupe from the Bev Smith Ford Co. Inc., which submitted the only bid of \$1,856 including trade-in. Another lone bid of \$2,371.44 from a North Carolina lumber company for the furnishing of 14,986 board feet of structural grade-A appalachian oak was authorized if it is in line with local lumber prices.

County Atty. Harry A. Johnston was authorized to advertise for bids on liability and property damage insurance for all county rolling stock.

The commission also: Invited all candidates and political party heads to inspect the voting machine at the warehouse at 9 a. m. Monday, Oct. 18th; received a framed picture of the USS Hollis, the ship built with county war bonds in honor of a local resident and which visited here last March; authorized Frank Sakser, county airport manager, to attend the Southeast Airport Managers Assn. convention at Virginia Beach, Va., Oct. 27-29th; authorized a resolution commending the Florida State County Commission Assn, and the host Broward County, Commission on the recent mid-year convention at Ft. Lauderdale.

Regarding the mid-year conven-

tion, Mr. Rardin, State legislative committee chairman, reported on items his group will try to push in the Legislature, including setting of a uniform qualifying date, a uniform salary bill for county commissioners, and the prohibiting of garbage dumping on highways, which Mr. Rardin described as "quite a problem in Palm Beach County."

Mrs. J. S. Chastain spent several days in Miami with her mother, Mrs. Connelly, who is ill.

Unretouched photograph of one of Moscow's 5 "Service" Stations

## IT CAN'T HAPPEN HERE

● Reports from behind the Iron Curtain say that there are only 5 "service" stations for all of Moscow's 5 million inhabitants. And even at these few filling stations, service is non-existent and gasoline is rationed. That's what you can expect when all industry is controlled by the state and there is no competition for the motorist's business.

Compare this with the kind of service

that you get at your neighborhood service station! This has come about because over here there are thousands of oil companies—all constantly competing for your business by trying to reach you first with the newest, most improved oil products and the finest services possible.

Here's our promise that, as part of this progressive industry, we'll continue to serve you and the nation well.

## Miss Walta Nell Hull Becomes Bride Of Richard Nason In Church Ceremony

Miss Walta Nell Hull, daughter of Mr. and Mrs. Walter Gibson Hull of Pahokee, became the bride of Richard Henry Nason, son of Mrs. Frank Friend, also of Pahokee, at an impressive candlelight ceremony in the Pahokee First Baptist Church Saturday, Oct. 9, at 4 p. m.

The vows for the single ring ceremony were read by Dr. Rembert A. Guy, pastor of the Pahokee First Methodist Church, as the couple stood before the altar decorated with baskets of pale pink gladioli and carnations against a bank of potted palms and lighted by pink tapers in three sets of candelabra. Lighted pink tapers surrounded by tiny pink carnations were at the church windows and bows of wide shell-pink satin ribbon marked the pews.

The program of nuptial music was presented by Mrs. Hugh Branch, vocal soloist, and Miss Margaret Powell, organist.

The bride wore lovely in an elegant gown styled in white nylon tulle and imported chantilly lace over satin. The trim lace bodice was complemented by a shoulder haring illusion neckline, accented with tiny ruffles at the bustline and brief sleeves. The very bouffant skirt had layer after layer of tiered tulle ending in a cathedral train, providing a perfect setting for the scalloped lace puplin which fell in points. The four-tiered veil of French illusion was attached to a matching lace headpiece with sequin inserts. She carried a white satin-bound Bible with satin streamers decorated with miniature flowers flowing from the three white orchids on top.

Mrs. W. Roacelle Wilson of Pahokee matron of honor and sister of the bride, wore a shell pink taffeta and nylon tulle gown fashioned with a tucked bodice which had a full panel of taffeta at the back. She also wore a matching shrug jacket and headpiece with face veil. She carried a huge arm bouquet of "Better Times" red roses tied with wide matching satin streamers.

The bridesmaid was Miss Dorothy Chastain of Pahokee. Bridesmaids included three other sisters of the bride, Mrs. Wallace Barnes, Mrs. Ellis Wilkinson and Mrs. Charles Wilkinson, all of Pahokee; a sister of the bridegroom, Mrs. William Cochran of Dade City, and Mrs. James Lusink of Orlando. All of these attendants wore gowns fashioned identically to that of the matron of honor and they also carried arm bouquets of red roses.

Little Ginger Willis and Willola Tyson, flower girls, wore floor

length dresses of shell-pink taffeta and tulle, fashioned on similar lines to the gowns of the adult attendants, and carried pink satin baskets filled with deep pink rose petals. Randy Wilkinson, the ring bearer, wore a white suit and carried a white satin pillow on which rested the bride's wedding ring.

Will A. Nason of West Palm Beach served as his brother's best man. Ushers included five of the bridegroom's brothers-in-law: William Cochran of Dade City, Dr. Jock Potette of New Orleans, La., James Halbrook of Belle Glade, William Moss and James Tyson, both of Pahokee; also Edgar Wilder of Pahokee.

Mrs. Hull chose for her daughter's wedding a blue lace and tulle dinner-length gown made with a lace bodice with folds of tulle covering the shoulder, and flared lace and tulle skirt. She also wore a matching sequined trimmed hat, French blue shoes and a purple orchid corsage. Mrs. Friend wore an "ashes of roses" gown of chantilly lace and tulle studded with rhinestones, matching accessories and a corsage of purple orchids.

The reception following the ceremony was held at the home of the bride's parents. The cake table, covered with lace, had as a centerpiece a three-tiered wedding cake topped by a miniature bridal couple, surrounded by clusters of sweetheart roses and lighted by tall white tapers on each side. The punch tables were set up on the lawn.

Out-of-town guests included Mr. and Mrs. William Cochran, Dade City; Mr. and Mrs. Will A. Nason, West Palm Beach; Mr. and Mrs. W. H. Clark and Mrs. Joyce McDonald, Lakeland; Mr. and Mrs. Jack Wiggins, Mr. and Mrs. James Lusink and Mr. and Mrs. E. J. Parham, Orlando; Mr. and Mrs. J. A. Hester, Tampa; Mrs. H. C. White, Savannah, Ga., and Dr. and Mrs. F. H. Potette, New Orleans, La.

Before leaving on the wedding trip the bride changed to a Dior blue dress of soft wool featuring a cowl collar, three-quarter length sleeves and black accessories. A white orchid corsage completed her going away attire.

## Christian Science Group Of Canal Point

How spiritual understanding of man's scientific unity with God overcomes fear and establishes harmony will be brought out at Christian Science services Sunday.  
The Lesson-Sermon entitled "Doctrine of Atonement" includes the following passages from the Bible (Psalms 51: 15-17):  
"O Lord, open thou my lips; and my mouth shall shew forth thy praise. For thou desirest not sacrifice; else would I give it; thou delightest not in burnt offering. The sacrifices of God are a broken spirit: a broken and a contrite heart, O God, thou wilt not despise."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy, the following selections will also be read (202:3): "The scientific unity which exists between God and man must be wrought out in life-practice, and God's will must be universally done."  
The Golden Text is from I John (2:1): "If any man sin, we have an advocate with the Father, Jesus Christ the righteous."

# WHICH ONE DO YOU WANT?

*you can have your dream house—this easy way!*

A dream? Not at all. Thousands of people with modest incomes have been able to save the down payment, or the whole price, of the home of their dreams—because they invested in U. S. Savings Bonds on the Payroll Savings Plan. Look at the chart on this page. See how you can accumulate enough money for the down payment on a home. Or enough for your children's college education or a retirement income. And by saving only a few dollars a week, too.

The answer is that you save *systematically* on the Payroll Savings Plan. All you have to do is tell your pay office how much you've decided to save each payday (it can be as little as a couple of dollars). After that your money is saved *for* you, *before* you get your salary. Then each time enough has accumulated, it is invested in a Bond, and the Bond turned over to you.

And remember—your U. S. Savings Bonds now will bring you an average of 3% interest, compounded semiannually, for 19 years and 8 months. That's why the money you put into Bonds now grows to such a surprisingly big sum.

Why don't you start—today? Sign, where you work, for the Payroll Savings Plan. Or, if you're self-employed, have your banker enroll you in the Bond-A-Month Plan. It's as easy as the Payroll Savings Plan.

## How you can reach your savings goal on the systematic Payroll Savings Plan

	If you want approximately		
	\$5,000	\$10,000	\$25,000
Each week for 9 years and 8 months, save...	\$8.80	\$18.75	\$45.00
Each week for 19 years and 8 months, save...	\$3.75	\$7.50	\$18.75

This chart shows only a few typical examples of savings goals and how to reach them through Payroll Savings. You can save any sum you wish, from a couple of dollars a payday up to as much as you want. The important thing is, start your Plan today!

Canal Point, was gratefully acknowledged at the meeting.

Recommendations of the executive board adopted at the meeting were: 1. That the PTA Teen Town Committee be given authority to work with W. A. Slauter, chairman, and his Elks Lodge youth committee in planning activities and a suitable recreational center for Teen Town during the current season. 2. That the monthly room count award for the six grades at the elementary school be changed back to \$1 in cash instead of a traveling prize as proposed at the September meeting. 3. That PTA purchase a duplicate charter to be framed and hung on the wall in the principal's office. 4. That Mrs. Dulaney, president, and Mrs. James H. Wilson, secretary, represent the Pahokee PTA at the State PTA convention in Tampa, Nov. 9-11. 5. That PTA donate \$30 for the concrete needed for the remodeling of the cub scout building which is being donated for local cub scout work by Dr. and Mrs. E. J. Graham.

Mrs. Osceola Upthegrove read the message from the State PTA president, Mrs. Clyde H. Johnson, and reported on the local distribution of the State and national parent-teacher magazines.

The monthly attendance award went to Mrs. Charlotte Walston's fifth grade at the elementary school and to the eighth grade group sponsored by Robert Shaw and Marvin Thompson at the high school.

James H. Vann, program chairman, distributed the new PTA yearbooks at the meeting and introduced as guest speaker Mrs. Clara Capron, supervisor of instruction for Palm Beach County Schools, who spoke of "The School's Expanding Curriculum," emphasizing in her talk the tremendous growth in the County School system in the past 12 years. She also told how the Minimum Foundation Program is continuously improving the standards of Florida Schools through the employment of better trained teachers and principals, the constant introduction of improved instructional materials and textbooks for the pupils, and the many new services, such as vocational education subjects, driver's education and the like, that are being added from year to year to school curriculums to widen the pupil's horizons in the field of education.

Mrs. Thomas Elliott, hospitality chairman, introduced as hostesses for the evening Mrs. K. T. Rockwell, Mrs. Terry Sellers and Mrs. Joe Alderman, who served refreshments in the patio following the program, making use of the Halloween motif in the table decorations.
